Sign up to be a poll worker today!

Your community needs more people like you to work at the polls on Election Day. In fact, North Dakota must recruit and train thousands of poll workers in communities across the state every election year. That's why they need your help.

Your local election officials will teach you everything you need to know to do the job. You just need to meet a few requirements to be selected:

- You must be a U.S. citizen
- You should be at least 16 years old
- You should be a resident of North Dakota.

The job isn't complicated and anyone who has worked at the polls will tell you it's one of the most rewarding ways you can help your community.

Your Community Will Thank You.

It's as easy as 1-2-3.

- 1.** First, you'll attend a short training class to learn how to be a poll worker. Then, you're ready to go to work.
- 2.** On Election Day you'll help set up the polling place before your friends and neighbors arrive to vote.
- 3.** Finally, you'll check voters in at the polling place and explain how they cast their ballots. Once the day is done, you and your fellow poll workers will close the polling place.

Your friends and neighbors are counting on you. Fill out the form on the opposite page and apply today to pitch in at the polls.
